JOB POSITIONS

Business Associate

Type: Full time

Locations: Bengaluru, Karnataka, India

CTC: Rs.500000 | **Fixed:** Rs.20000

Description:
Getting things done. Remember we operate in a VUCA world - Volatility, Uncertainty, Complexity, and Ambiguity. You will begin with a function - Customer Success or Sales or Operations. After a year you will have the freedom to add multiple dimensions to your profile (for example if you are in the customer success team, you could add sales responsibilities). And post two years we will look at you to build businesses.

Bond Details:
The company spends considerable effort in training new employees through direct mentoring. Candidates willing to commit to a minimum of 12 months of full-time employment post-internship need only apply.

SCHEDULE

Time: "Date and Time for the Event will be Announced Later"

Venue:
Online mode

ELIGIBILITY

Courses: B.Tech - EEE   B.Tech - ECE   B.Tech - CSE   B.Tech - EE   B.Tech - Civil   B.Tech - MECH

Criteria:
We prefer Engineers - but if you are an achiever does it matter
2021 passing batch
Great academics record

SELECTION PROCESS

Selection process

Round 1 will have three tests.
Round 2 We will give you an assignment on excel (it is ok for you to spend a week and teach yourself great excel)
Round 3 Interview rounds: three Will include puzzle-solving

OTHER DETAILS

If you do not know about McKinsey please spend at least 5 to 10 hours researching the company. We are a lot inspired by McKinsey and Amazon
