Hi Students,

Don't forget to be the part of **Newton's Online Coding Challenge** on 29th March'20.

Newton School (<https://www.newtonschool.co/>) is organizing India's premier Online Coding Contest for all the final year Engineering college students across all the colleges in the country. Compete with India's top university and have an experience of coding challenges like never before.

What is in it for students?

- **Prize Money:** Rs.20,000/- and certificate.
- Good performers get a chance to **interview at Top Product Companies**

Date of Contest: 29th March 2020 (Sunday) at 9:00 PM to 11:30 PM.

Apply Here: <http://bit.ly/39WHGAJ>

No Registration Fee!!

Essential Steps:

- 1) Do the registration by signing up (If already registered, log-in directly).
- 2) Click "select" in Newton Coding Challenge box.
- 3) Fill up the short form and submit.

About Newton School: <https://newtonschool.co>, is an online coding Bootcamp founded by IIT and IIM Alumni that transforms students into a full stack developer with a solid foundation in computer science.
